## Ringkasan

I'm a six-semester undergraduate student in Computer Science with a great passion for the world of technology and a strong desire to keep developing in this field. I am always eager to learn new things and improve my skills in computer science and information technology. I have knowledge in Flutter, HTML, CSS, JavaScript, JAVA, MySQL, Python, Bootstrap and I believe that I can make a positive contribution to a competent and creative team. I'm always ready to learn and prepared to be part of a successful team that achieves your company's goals.
