Bina Nusantara Computer Club

2 years 5 months

Chief Financial Officer

February 2023 - February 2024 (1 year 1 month)

- Sort out BNCC's documentations
- Conduct and lead progress evaluation meetings
- Quality-controlled BNCC @Alam Sutera's publication designs and documents
- Bridge main communications from BNCC @Alam Sutera to other BNCC regions
- Oversee BNCC @Alam Sutera staff and activists overall performance

#### UI/UX Design Class Instructor (BNCC Learning and Training) October 2022 - March 2023 (6 months)

Learning and Training (LnT) is an IT course exclusively for BNCC members. Members can choose one of the available courses. The end goal of LnT is to provide members with skill and knowledge that can be used in their professional life in the future.

- Created and presented materials related to basics of UI/UX design
- Guided the students to finish their final project
- Graded final projects of the students as one of their certificate requirement

#### Creative Team (Activist) October 2021 - February 2023 (1 year 5 months)

Bina Nusantara Computer Club (BNCC) is one of the best and oldest computer-based organization at BINUS University. BNCC has now reached its 33rd year with a lot of experiences in educating people about computers, technology, business and organizational skills through its products, such as Learning and Training (IT training), FAVE Solution (software house), and Filemagz (online magazine); events, and technology researches.

Here are what i have got during one year as an activist at BNCC:

- Completed the Java Programming class in BNCC Learning and Training with achievement of High Distinction.
- Actively participated at BNCC events, mainly as design and documentation staff/coordinator.
- Participated in several hard-skills training such as motion graphic training, back-end development training, Adobe Photoshop training, Adobe Premiere Pro training.
- Developed my soft-skills from participating in public speaking training, leadership development program, and internal events.

#### BINUS University Teaching Assistant October 2021 - February 2022 (5 months)

- Managed grading for two classes, covering 100+ students.
- Facilitated student-professor communication across multiple class sections.

---
