In my role at our boarding house, I remotely connect directly with boarders to ensure they have a comfortable and enjoyable stay. I manage our facilities, making sure everything is in top condition to serve our residents' needs. Additionally, I handle marketing efforts using boarding house apps to attract new boarders and keep our community engaged. My responsibilities also include managing financial tasks, ensuring our operations run smoothly and efficiently. Passionate about providing excellent service and creating a welcoming environment, I am dedicated to making our boarding house a preferred choice for residents.
