Ellisher Vlavasya L.

Information Systems Student at BINUS University
West Jakarta, Jakarta, Indonesia

Experience

PT Sofco Graha
QC Tester Intern
February 2025 - August 2025 (7 months)
Central Jakarta, Jakarta, Indonesia

Reviewed ERP system specifications to fully understand the system requirements before testing. Designed and created comprehensive test scenarios and cases to ensure all functionalities were accurately evaluated from both technical and user perspectives.

Conducted ERP testing by executing test cases, thoroughly checking data accuracy, validation messages, and user interface display. Documented all test processes and outcomes, and reported any bugs or issues to the development team to support system improvements and maintain software quality.

Binus Student Learning Community
2 years

General Treasurer of Binus Student Learning Community
January 2024 - February 2025 (1 year 2 months)

Served as a Dewan Pengurus Inti (DPI), the core leadership team responsible for overseeing the entire BSLC organization, including the performance and coordination of our Activists, Mentors, and Mentees. Ensured that all programs ran effectively and aligned with BSLC's mission of supporting peer learning and student development.

As General Treasurer, led financial planning, managed cash flow, monitored expenses, and prepared detailed financial reports to ensure transparency, accountability, and effective fund allocation for all BSLC programs and initiatives.

Project Manager of Pengabdian Kepada Masyarakat BSLC 2024
May 2024 - July 2024 (3 months)
Rumah Langit

Led the planning and execution of the PKM BSLC 2024 event in collaboration with Teach For Indonesia (TFI). Managed the project from preparation to completion, coordinating logistics, team efforts, and program content. Focused on delivering impactful educational activities for children at Rumah Langit, aiming to inspire and support their growth through engaging and meaningful experiences.

Public Relation Activist

March 2023 - January 2024 (11 months)

Actively involved in various BSLC events and initiatives by serving in multiple roles, including Master of Ceremony, social media controller, secretary of event, treasurer of event, event staff, and equipment coordinator across key programs such as the Welcoming Party, Pemilu & Musyawarah Besar, Company Visit, PKM, Expo, Benchmarking, and LDKA throughout 2023.

BINUS University

1 year 6 months

Information Systems Project Member

January 2024 - December 2024 (1 year)

Worked as a Technical Writer and System Analyst as part of the Information Systems Project Team, contributing to the development of a 'New Recruitment Website' for the School of Information Systems. Responsibilities included analyzing system requirements, creating use cases and process documentation, collaborating with developers and stakeholders to ensure functional accuracy, and preparing comprehensive technical documentation to support system implementation and user understanding.

Freshmen Partner Binusian 2027

September 2023 - September 2024 (1 year 1 month)

Served as a year-long Freshmen Partner for Binusian 2027, guiding freshmen through their academic and social transition, monitoring their progress, and facilitating orientation and mentoring sessions to support their first-year experience.

Freshmen Leader Binusian 2027

July 2023 - September 2023 (3 months)

Served as a Freshmen Leader for Binusian 2027 during the start of the academic year, guiding new students through their transition into university life by facilitating orientation sessions, monitoring early progress, and providing academic and social support.
