Shanon Giuly Istanto

Undergraduate at BINUS University | Laboratory Assistant at
Software Laboratory Center BINUS University
Bekasi, West Java, Indonesia

Summary

Motivated Computer Science student with a focus on Software Engineering at BINUS University. Skilled in C, C++, Python, SQL, and Java, with a strong foundation in software development, problem-solving, and coding best practices. Passionate about leveraging technical expertise to build efficient, scalable solutions and contribute to innovative projects.

Experience

BINUS University

1 year 2 months

Laboratory Assistant

August 2024 - Present (1 year 2 months)

Taught students programming in C, C++, Python, and Java, enhancing coding and problem-solving skills. Managed lab equipment and software, supporting 100+ students per semester. Assisted faculty with research projects, ensuring experimental setups and data processing were reliable. Designed and documented lab tutorials, standardizing processes and improving the efficiency of lab sessions.

Freshmen Partner

August 2024 - July 2025 (1 year)

Guided new students during their transition into university life for a year by providing mentorship, support, and orientation to campus resources.

DUTA BINUSIAN - Mentor

September 2024 - January 2025 (5 months)

Mentored students in Object-Oriented Programming (C++ and Java), enhancing their coding proficiency. Guided students in SQL database management, improving data handling and query optimization. Assisted students in debugging and optimizing code for academic projects, applying theoretical concepts.

DataAnnotation

Prompt Engineer

May 2025 - Present (5 months)

Comparing different models, write reviews for models, interact with chatbots, survey-style work, creative writing task and others to improve AI models.

HIMTI BINUS University

1 year 8 months

Pengurus (Regional President)

March 2025 - Present (7 months)

President of HIMTI Bekasi 2025/2026. Represented Bekasi region for HIMTI, advocating for member interests, driving initiatives for regional growth, and spearheaded recruitment and member retention campaigns, increasing membership by 40% during the tenure.

HIMTI Activist

May 2024 - April 2025 (1 year)

Activist for HIMTI BINUS University, Academic Events Division

Mentor of HILET 2025

January 2025 - March 2025 (3 months)

- Guided and supported participants in the Visualization Division, providing mentorship on visual design and production techniques.
- Assisted in creating visual concepts, ensuring quality output, and maintaining timelines for the successful execution of the event.

Vice Event Organizer of SESVENT 2024

August 2024 - November 2024 (4 months)

Managed a 600+ participant event in logistics, including venue arrangement, resource allocation, event scheduling, ensuring smooth operations throughout, oversaw the event setup and implementation.

Event Organizer of HIMTI WORKSHOP 2024

June 2024 - October 2024 (5 months)

Led a workshop focused on GitHub, managing logistics, coordinating with speakers and participants, and ensuring smooth event execution.

Visualization Committee of TECHNO 2024

June 2024 - September 2024 (4 months)

Collaborated with the event committee to conceptualize and execute the visual theme for a 700+ participant event.

Event Coordinator of HIMTI SEMINAR 2024

February 2024 - May 2024 (4 months)

Organized a 100+ participant event, managing logistics, liaison duties, sponsor and technical issues, resource preparation, and overall setup.

Samsung Innovation Campus

6 months

Stage 4 - Final Prototype

April 2025 - May 2025 (2 months)

Stage 3 - IoT Development

March 2025 - April 2025 (2 months)

Stage 2 - IoT Fundamentals

January 2025 - March 2025 (3 months)

Stage 1 -Introduction to IoT

December 2024 - January 2025 (2 months)

Education

BINUS University
