# Azhar Azhari

Bachelor of Geography | GIS Analyst | HSE Enthusiast | First Aid  
Certification by Kemnaker RI  
Indramayu, West Java, Indonesia

## Summary

Azhar (22) is a fresh graduate of the Geography Study Program, Semarang State University. During college, I had experience in the environmental, administrative and secretarial fields. Currently I have an interest in working in the field of Health, Safety and Environment (HSE). With a deep understanding of environmental issues and related policies, I am committed to contributing to creating a safe, sustainable work environment and supporting environmental protection efforts in various sectors.

## Experience

PT Tekno Buana Globalindo  
QHSE Field  
February 2025 - August 2025 (7 months)  
Indonesia
